<b>Average number of travel per traveler</b>	<b>2</b>

Notes: A traveler may report more than one trip and more than one travel.

<sup>1</sup> Trip is the travel between two or more places from the point of origin to point of destination and back to the point of origin.

<sup>2</sup> Domestic travel is the act of moving from usual place of residence to another municipality in the Philippines by a person who is a resident of the Philippines (regardless of nationality), irrespective of the purpose of travel, length of stay and means of transport used.
